- This pilgrimage is run as a spiritual pilgrimage, in the Fatima spirit, with daily Mass and the Rosary. It involves some walking and early morning rising some of the days. Those wishing to book need to be prepared for this and to follow the group. If in doubt please consult the organisers before booking.
- Please note that there is a lot of walking on some days, with steps inside and outside buildings, and early morning rising. This pilgrimage is not suitable for disabled people or for those not fully mobile (we simply do not have the necessary facilities and organisation). However, if you consider that your condition does not prevent you from taking part, please phone Trevor at the number below. Any personal conditions will be noted as you disclose them on your booking form. It is of the essence that you provide a full disclosure of your disability to enable the organisers to assess whether this pilgrimage would be suitable for you. Very occasionally however, on some past pilgrimages, it was found on arrival at destination that a person had not disclosed a personal disability/condition that required, for example, the use of a wheelchair, or other artificial walking aid, or other limiting personal condition (i.e.: ability to walk no more than a short distance and/or slowly) or that specific personal assistance was required (which this pilgrimage cannot provide): such a person should not book. Should such a rare situation occur and someone books for this pilgrimage without stating personal disabilities/conditions/limitations clearly and fully, or the person behaves in a way which the organisers consider unacceptable, the pilgrimage organisers (A Day With Mary) reserve the right to restrict or deny access/coach travel to such persons to sites on our programme and/or, where appropriate, even exclude them from continuing the tour whilst abroad as the organisers consider necessary and at the pilgrim's expense. Please also note that failure to disclose personal conditions/disabilities may invalidate your travel/medical insurance and could have serious consequences for you in case of need whilst abroad. Without wishing to make you feel at all unwelcome, we thought to point all this out to you now so that matters are clearly understood in advance in those personal cases where the above should happen to apply (very rare ones in our experience). Should you have any queries please contact the organisers before applying. Thank you for your understanding.*
- We reserve the right to ask any passenger who behaves inappropriately to leave the pilgrimage; we cannot guarantee in these circumstances to organise the passenger's return to their joining point; we reserve the right to pass on to the passenger any costs incurred by DWM should inappropriate behaviour result in such costs.

- g)** The cost of your Pilgrimage. The prices shown in our poster/above were calculated in June 2015 on the basis of then known costs and the exchange rate of £1 :€1.15. We reserve the right to increase the price of your pilgrimage to compensate for any adverse change in the exchange rate and because of any increase in fares and increases in taxes and dues or the implementation of new ones. It is a condition of this pilgrimage that we will absorb the first 2% of any increase in prices and that you may withdraw from the tour if the surcharge exceeds 7% of the published tour price.
- h)** Travel between Heathrow Airport and your home is your responsibility and is not included in the pilgrimage cost.
- i)** Please make your own copy of this form for your safekeeping before returning it to us.
- j) Your Financial Protection**
 All monies paid by you for the air holiday package shown (or flights if appropriate) are ATOL protected by the Civil Aviation Authority. Our ATOL number is ATOL 10896. "If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme." For more information see our booking terms and conditions.
Please note that the above is not a travel & medical insurance, which you are still required to have as at clause **b)** herein above.
